

The screenshot shows the Infinite Campus Campus Portal interface. At the top, there is a navigation bar with the 'Campus Portal' logo, a 'Switch Student' button with a dropdown arrow, and a red arrow pointing to it. To the right, it says 'Welcome Anna Brian' with a home icon and a 'Sign Out' button. The 'Infinite Campus' logo is in the top right corner.

On the left side, there is a sidebar menu with the following items: Family, Messages, Family Members, Calendar, To Do List, User Account, Change Password, Contact Preferences, Access Log, CBSD Custom Reports, CENTRAL BUCKS SCHOOL, BUTLER ELEMENTARY, CENTRAL BUCKS HS SOUTH, and UNAMI MIDDLE SCHOOL.

The main content area displays a 'District Notices' section with a date of [12/07/2010]. The notice is addressed to 'Dear Parent/ Guardian' and discusses the Pennsylvania School Health program's BMI measurement. It lists three categories of BMI results:

- BMI less than the 5th percentile = **underweight**
- BMI between the 5th and 84.99 percentile = **within normal limits**
- BMI between the 85th and 95th percentile = **at risk for overweight**
- BMI equal to or greater than 95th percentile = **overweight**

The notice also includes a disclaimer: 'BMI is a screening tool and not a definitive measurement of underweight, overweight or obesity as the indicators do have limitations.' It provides information on how to contact a physician and mentions the website www.mypyramid.gov. The notice is signed 'Sincerely, The Certified School Nurses'.

At the bottom of the notice area, there is a 'School Notices' section with a right-pointing arrow.

After logging into the Parent Portal, this is the screen that parents will see. Parents need to click on Switch Student at the top to get a dropdown of their children, then select the name of the child to view.

This close-up screenshot shows the 'Switch Student' button in the top navigation bar. A dropdown menu is open, displaying three student names: Amy Brian, Gerry Brian, and Mark Brian. A red arrow points to the dropdown menu.

Once a specific student is selected, then they see the available options for the student. Please note that the student's **Picture** and **Student Number** display in the heading now.

All other views remain the same as with prior releases of Campus, there are slight differences in the **Health View**, which now includes the compliance status of their immunizations, and **the Attendance View**, which now offers views by course, period, day, and term.

[See following pages for updated Health and Attendance views with new Campus release]
