

We Learn. We Build. We Play.

JOIN US ON AN ADVENTUROUS JOURNEY THROUGH SPACE

Join us on an adventurous journey through space! Build a rocket to blast through the atmosphere into a realm that is truly out of this world. Build a world where rebels and the dark side start epic battles. We'll build motorized models that represent spacecraft from your favorite popular space movie. We will also learn a lot about space along the way. Come experience this stellar journey to a galaxy far away!

MILL CREEK ELEMENTARY

Classes will meet on Wednesdays 3:30-4:30

Oct 23, 30, Nov 6, 13, 20, Dec 11

ENROLL TODAY!
