

2016 Secret Shop

The Holidays are near...and, as a special service, our school is hosting a *Secret Holiday Shop* from Monday, December 5th through Thursday, December 8th in room 6. Children will have the opportunity to pick out their own inexpensive, high quality gifts for family and friends. Our family night will be held on Thursday, December 8th from 3:30-7:00pm. Bring the whole family out for some fun holiday shopping!

We've attached an envelope to help your child with shopping. Please utilize this envelope as it aids the volunteers who are helping the younger children. Have your child bring their envelope with money to school on his/her scheduled date. Gifts range from \$1.00 to \$12.50, with most priced under \$5.00. We accept CASH and CHECKS. Please make checks payable to GHSA.

Below is a schedule of when each class is scheduled to shop. As always, you are more than welcome to be with your child during their scheduled time.

The Gayman Library will have a table setup in the secret shop this year! They will be selling reading/library related items. The profits from the library table sales will go toward setting up a "Library Oasis" in the library for the students to escape to during the upcoming winter months. Come on out on Family Night and support the library...an amazing place to be!
