## presented by the CBW Band

Central Bucks High School- West  
Auditorium

Thursday, May 7, 2015 7:30pm

with performances from the CB West Jazz Ensemble, Indoor Percussion  
Symphonic Band,, and Concert Winds

Dear parents, family, community members, and friends:

Thank you for attending this evening's performance. These young artists have worked very hard to prepare the literature they will present for you tonight. They should take great pride, as do I, in the amount of musical growth they have made in preparation for this, and all other performances. It brings me great joy to have the pleasure to work amongst such fiercely talented young men and women.

I, too, am proud to be an educator in a district that so highly values the arts. Central Bucks West is a unique place where students can push the boundaries of art and find new outlets for their creativity in both the visual and performing arts. Tonight's performers have done a magnificent job expressing their artistry through their music. We hope you enjoy the fruits of their labor.

Sincerely,

A handwritten signature in black ink, appearing to be 'N. G.' followed by a stylized flourish.
