*A School of Excellence
in The Central Bucks School District*

Good morning, Lenape community,

I wanted to take a moment and introduce myself to you in this note, as this is my first official week as Assistant Principal at Lenape Middle School. In just my first few days inside of this building, I have quickly realized there is a wonderful and positive feel to this community that is hard to define. There is a welcoming warmth and a feeling of home that is unique to Lenape, and I feel truly humbled and honored to work with such incredible faculty and staff, students, and parents like you.

I have taught English for the past eight years at Central Bucks High School South. I mostly taught tenth grade—both honors and co-taught sections—and our Advanced Placement English course. While at South I served as a Class Advisor for five years, where I was lucky to work with our student leaders to create service opportunities, class activities, and leadership possibilities for the Class of 2011 and the Class of 2014. I also collaborated on the creation of our LINK program whose mission is to empower and train student leaders while building a collaborative, dynamic, and positive school culture.

My hope in the coming weeks and months is to learn as much as I can about the Lenape community and culture, support teachers to continue creating meaningful learning experiences for our students, and, importantly, find ways to build strong and meaningful relationships with your sons and daughters. Please do not hesitate to reach out to me, as I am here to help. I look forward to a wonderful, positive, and dynamic school year.

I wish you all the best.

Will Melvin
Assistant Principal
