RE: COMMUNITY SERVICE DAY 2016

Warrington Township Environmental Advisory Council (WEAC) would like to invite you to participate in our Day of Community Service 2016. This is the WEAC's 15th annual event. The Day of Community Service will be held at the Twin Oaks Day Camp on April 30, 2016 from 10:00 AM to 3:00 PM. Activities will include building bird, screech owl and bat houses, shrub and flower planting and a reforestation project. Maintenance of detention basins planted during previous Earth Day/ Community Service Day events, upkeep of the existing Rain Garden and Butterfly Garden, Adopt-A-Road cleanups and a cleanup of the Igoe Porter Wellings (IPW) Park and the Willow Knolls residential development will also take place. We would like to invite local businesses and community groups including Girl Scout, Brownie, Daisy and Boy Scout troops and Cub Scout dens. We also welcome members of the all elementary and secondary schools, the Central Bucks South High School Environmental Club, Key Club, National Honor Society, and the CB West, South and East German Honor Societies to take part. All those who would like to participate are welcome. The rain date will be Sunday, May 1, 2016.

We would like to invite you to join us for lunch at the Twin Oaks Day Camp located at the IPW Park on Bradley Road, off Folly Road in Warrington throughout the day.

Other activities sponsored by the Warrington Township Environmental Advisory Council for 2016 include the Adopt-a-Road program; the Healthy Yards program that promotes rain gardens and naturalizing detention basins; and working with community organizations (e.g., the School District) with their environmental education programs. If you are committed to helping the environment and want to find out more, email us at eac.warrington@gmail.com or come to a Council meeting at the Township Building the first Wednesday of each month at 7:30 pm. You may also contact Ms. Ivy Ross at 215-534-0223 or via e-mail at icross21@msn.com.

Thank you for your consideration and we look forward to your participation in our Day of Community Service.

Sincerely,

WARRINGTON TOWNSHIP ENVIRONMENTAL ADVISORY COUNCIL
