### **Box Tops for Education:**

Groveland families have been doing an awesome job of collecting and sending in Box Tops for Education. Keep on clipping and remember they do have expiration dates so send in often. All the classes should have a manila envelope for collection that will be submitted each month. Each little box top is worth 10 cents, so each bag of 50 is \$5.00 for the school. It's free money! Keep on clipping all year long!

**Please note:** Groveland is no longer participating in the Labels for Education program so please do not send in any Campbell Soup labels.

This is my last year as the Box Top Mom, I am moving on to Tohickon next year! I am looking for someone (or a few someone's) to take over next year that would like to shadow me to learn the ropes. It's a great way for a working mom to help the GHSA!
