

October 28, 2016

Dear Parents and Guardians,

On Thursday, November 3, 2016, Bridge Valley Elementary will be performing an Off Campus Evacuation Drill. This drill is in compliance with our district guidelines. Much thought and preparation has taken place prior to this drill. The local authorities, the CB Transportation Department, community members, and a team of educators have devised a plan to maximize student safety.

The drill will begin at 9:15 AM and end approximately by 10:45 AM. Please note this time on your schedules. We ask you to avoid drop-offs or pick-ups at this time. Please make the necessary adjustments in your calendars.

We will be traveling to Middle Bucks Institute of Technology (MBIT). When all students are accounted for, we will travel back to Bridge Valley Elementary to continue the school day.

Together, we can make this a successful event. Please speak with your children about the importance of practicing this type of safety drill. We appreciate your support.

Sincerely,

Kevin Cochran
Principal

Kate Fantaskey
Assistant Principal
