

Good afternoon!

There will not be a band parent meeting tonight...but, to prepare for the upcoming year, **we do need some parents to help out in the following positions!**

2 Freshmen Reps - essentially, you will be responsible for attending meetings and bringing any questions/concerns from the freshmen parents to our attention

Chaperone Coordinator - responsible for setting up sign-up lists via Sign-up Genius for bus chaperones, Snack Bar, Trailer Crew and Band Camp

Pumpkin Painting Coordinator - recruit and organize parent and student volunteers for this one-day fundraising event at Peddler's Village

Cherrydale Farms Coordinator - hand out fundraising packets, collect them and submit orders - will also have to help distribute wrapping paper when it is delivered

Yankee Candle Coordinator - same as Cherrydale, only with candles instead of wrapping paper!

If you, or anyone you know, would be willing to volunteer for one of the above positions, please let me know!

Thanks in advance for your help!

Kristie
