

CENTRAL BUCKS SCHOOL DISTRICT

LEADING THE WAY

The Central Bucks Schools will provide all students with the academic and problem-solving skills essential for personal development, responsible citizenship, and life-long learning.

October 16, 2014

Dear Parent or Guardian,

On October 30th and 31st, 2014 our school is taking part in a survey that will ask questions about student perceptions and experiences related to bullying at school. Our goal is to gain information that will help our school more effectively target our education, intervention and prevention efforts. You can view the entire survey by contacting Mrs. Houpert or Mrs. Mallon at 267-893-3410. All students in 8th grade will be asked to fill out a questionnaire that takes about 20 minutes to complete.

We would like all 8th grade students to take part in the survey, but the survey is voluntary. As a parent, you have the right to request that your child not participate. The survey has been designed to protect each student's privacy and students will not put their names on the survey. Students can skip any question that they do not wish to answer. In addition, students may stop participating in the survey at any point without penalty.

Please read the section below. **Only sign and return by October 24 if you do NOT want the student to take part in the survey.** Check the box and return the form to the school no later than October 24th. If you have any questions, please call John Murtha, building assistant principal or Kathy Houpert/Kate Mallon, guidance counselors.

Thank you.
