Remember that when you are fundraising for Relay, you are representing not only your school, but our entire school district and the American Cancer Society. Follow these general guidelines and ask the Relay organizer at your school if you need help or are unsure of something:

- ✓ You must ask permission from a local business if you are going to conduct a fundraiser in, on, or near their property. You may NOT set up a fundraiser in front of a store without prior permission, usually at least one month in advance.
- ✓ You may NOT solicit donations from people in vehicles anywhere in the state of Pennsylvania. This may work for other organizations but is explicitly banned as an acceptable way to raise money for our event.
- ✓ Your team must be supervised by a parent for the duration of your fundraiser.
