

Each lap gets us  
**closer** to a world with more  
**birthdays.**

The world with less cancer and more birthdays gets closer at every Relay for Life event. There, arm-in-arm, volunteers and survivors inspire the crowd. Join Relay for Life in our community. Together we'll stay well, get well, find cures, and fight back.

### ***What is Relay For Life?***

Relay for Life is the American Cancer Society's signature activity. It offers everyone in a community an opportunity to participate in the fight against cancer. Teams of people gather at a local school, park, or fairground and take turns walking around a track or path. Each team is asked to have a representative on the track at all times during the event.

Relay for Life is a life-changing event that brings together more than 3.5 million people across the world to:

- Celebrate the lives of those who have battled cancer. The strength of survivors inspires others to continue to fight.
- Remember loved ones lost to the disease. At Relay, people who have walked alongside people battling cancer can grieve and find healing.
- Fight Back. We Relay because we have been touched by cancer and desperately want to put an end to the disease.

### ***What is Relay for Life of Central Bucks Middle Schools?***

Our Relay began in 2004 as a customized alternative to local overnight events to get young people involved in the fight against cancer. The only registered participants are current CB Middle School students, adult chaperones, survivors, and caregivers. Our students and community are proud to celebrate the following 2010 accomplishments:

- The only middle school Relay For Life in Pennsylvania
- Out of 227 Relay For Life events in Pennsylvania, our fundraising total (\$321,619) ranked 6th
- We had the highest donation gain (\$80,000) in the entire state of PA last year
- 3,162 student participants (62% of middle level students in the district)
- A donation average of \$101.71 per student participant
- 309 participating cancer survivors and another 266 caregivers
- 2,860 attending adult chaperones
- 4,190 luminaria circling both sides of the track

***Please join us this year as we celebrate an eight year fundraising total of over 1.2 million dollars!***
