

Boomerang Award

This youth recognition award was created by CB Cares to recognize students in the Central Bucks School District for living by one of the 40 Assets, designated monthly. The 40 Developmental Assets are positive experiences, behaviors, and personal qualities that all youth need to possess, in order to be responsible, caring, and strong in the face of peer pressures and other life challenges. Each year, over 1,000 elementary, middle, and high school students are nominated and recognized for their assets.

One winner from Barclay is chosen from the nominees submitted each month, and sent to CB Cares as a nomination to win for the whole district. We encourage nominations from teachers, staff, parents and kids each month ANYONE can nominate a student for a Boomerang Award, and ALL nominees are recognized.

For more information on CB Cares and the Boomerang Award, please visit the CB Cares website:
