

Sponsored by the Science ALIVE Committee

Join Us for a Great Night of
FAMILY FUN at Bridge Valley!

MONDAY, MARCH 5th

Two Shows: 6:30 pm & 7:30 pm in Gym
with a Science Experiment & Snacks in the Cafeteria

The Franklin Institute's "HOT and COLD" Show

Watch as your children turn into molecules as we explore the three states of matter. We will make balloons shrink, bubbles freeze, and a rubber ball shatter by using liquid nitrogen (N₂). Students will learn how liquid nitrogen is used everyday in manufacturing, food production and medicine.

COST: \$6 per family fee by February 24th

(checks preferred - payable to Bridge Valley Home & School Association)

Tickets will be required for the show and will be distributed on a first come first served basis.

Preregistration is required! Space is limited to 250 people per show.

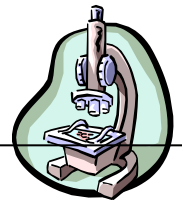

Children attending must be accompanied by a responsible parent or guardian.

Return the bottom portion of the form with your family fee to reserve your spot.

Questions? Contact Sandy Schmauk at (215)598-1501.
