

Dear First Grade Friend,

I hope that you have been enjoying a wonderful and fun-filled summer! I spent my summer reading SO many great books. I was also able to enjoy some time at the beach in Avalon and Sea Isle City. I was happy to spend time with friends, family, and especially with my dog, Franklin. I am excited that school will be starting soon. I can't wait to be your teacher and hope that you are ready for an amazing year!

We will have a great adventure during our year together in first grade! We will learn so many great things. We will read awesome books, write super stories, play number games, draw pictures, become scientists and explorers, and learn about how each one of us is very important and special! We will build our very own classroom family that supports each other and loves learning together. I just can't wait!

I am so excited to meet with you on our first day of school and hear about your summer and get to know you! 😊 Here are some of my favorite things!

Color: Purple	Thing to do at home: READ!
Animal: Dogs	Music: Taylor Swift
Food: Tacos and Ice Cream	Exercise: Yoga

Love,

Ms. Westcott
