

MEET Mrs. Menard

#Selfie

#welcome to kinder

Hi new friends! My name is Mrs. Menard. In addition to teaching kindergarten, I have also taught third grade. I went to PSU and St. Joe's University. I live nearby with my husband, two children, two guinea pigs, and our silly dog, Rey. I can't wait to learn with you this year. We will grow together in so many new and exciting ways. Let's roll!
