

**Course Description:**

This course is preparatory algebra curriculum, designed for students who have successfully completed the elementary mathematics curriculum in their respective classrooms. Major topics include: integers, equations, ratios, proportions, percent, geometry, statistics, probability, and applications. The course is tailored to the needs and goals of the individual students.

**Classroom Expectations:**

It is expected that you log into class on time every day prepared with your laptop charged! There will always be a warm-up in your OneNote that you should begin immediately, while we wait for everyone to join. All Lenape Middle School rules apply!

**Materials:**

You should have the following supplies with you **EVERY** day:

- Charged Laptop
- Headphones-optional
- Your brain

**Grading:**

Summative (100%)/ Formative (0%):

- Quizzes/Probes (Summative)
- Tests-given after each unit (Summative)
- Warm-ups-given daily (Formative)
- In class assignments (Formative)

**Things I will do for you:**

- I am here to help you! The best time for extra help is during resource.
- I promise to give you 100% and I will do my best to help you succeed and LOVE math!
- I will do my best to make math enjoyable.
- I will provide you with the tools to be successful.

**Second Chance Learning:**

- You may retake any summative assessment for a higher grade, at any point before the end of the marking period. You must meet with me to review your previous assessment and any formative assessments that may not have been completed.

**Late Work:**

- Most work will be accepted late if discussed with me.

**Class Expectations:**

- Please do not call out! Let your classmates have time to think, answer and ask questions. Just raise your hand!
- Be prepared!!

**Statement for Academic Dishonesty:**

Academic honesty is expected in this class. Cheating in any form is unacceptable behavior. Cheating is cause for a student to lose membership/eligibility in the Honor Society. Students found to be cheating on tests, quizzes, projects, or copying homework, or any written work will receive consequences as deemed appropriate to the incident. Plagiarism of any type (including electronic) is considered cheating. Teachers will notify parents of the incident. When plagiarism is suspected, the teacher and the student will develop a plan for the assignment to be redone. Additionally, student may receive a non-academic consequence. (CBSD Student Handbook)
