

Central Bucks West Choir

Dear Parents and Students

In April 2020 the Central Bucks West Choir will join with the Central Bucks Marching Band in the annual spring tour. This year we will be going to Orlando. The trip is offered to all Choir Members and proves to be one of the highlights every year.

Unlike the past, this year you will not register for the tour in class and you will not send payments into the school for the tour. This year you will register your student through a web portal created by Kaleidoscope Tours. This is the tour company we have been using in the past. The attached letter contains the link that you will need to use to register your student and pay for their trip. Simply click on the link and follow the steps to register and pay.

Tour payments are due by certain due dates throughout the year. The attached letter sets the deadlines for payments. You may make your payment earlier, but not later than the due date. There are a limited number of spots available on the tour as you want to sign up as soon as possible. The first deadline is September 25, 2019. Please note that this is a non-refundable payment. The site will give you three options to pay; either by credit card, debit card or direct withdraws. Please note that payments by debit card or credit card will contain an additional 3% convenience charge which is charged by the tour company. The information you provide is maintained by the tour company and is not available to other tour members.

Fundraising opportunities will exist throughout the school year. Fundraising is not mandatory but will offer students the ability to reduce their individual expense for the trip. We encourage the students to take full advantage of these opportunities as a way to defray their cost, invest them in their trip, and learn valuable life skills.

If you should have any questions or concerns regarding the registration or payment process please feel free to contact me at jbenson@penglaseandbenson.com.

Very truly yours,
