

LENAPE MIDDLE SCHOOL

7TH GRADE

2024-2025

WELCOME!

Welcome to 7th grade at Lenape Middle School!
We hope that you are enjoying a restful summer break.

Seventh grade, a transitional year for students, is an exciting time, so we would like to share some important information regarding the upcoming academic school year.

WHAT IS A TEAM?

Lenape's 7th Grade is organized into two teaching teams: Quest & Explorer.
Your team is more than just a location of teachers and classrooms—it is your "home base".
Your teachers meet daily to monitor your progress and plan lessons to spark your learning.
They coordinate to ensure your success throughout the year!

PARENTS AS PARTNERS

Communication is an important aspect of your child's successful seventh grade year. To ensure effective communication, we offer several methods of keeping in touch with the team and your child's academic progress.

- Phone 267.893.2800
- Email
- Canvas Calendar
- Parent Portal (Infinite Campus)
