

Lenape 8th Grade

August 2025

Welcome to 8th Grade!

We all hope you are enjoying your summer as much as we are enjoying ours! As an eighth grader at Lenape Middle School, you will experience some new academic challenges and exciting team activities.

Throughout the year, it is important that you continue to build the skills necessary to ensure not only your success in eighth grade, but also your future success in high school, college, and beyond. Being prepared is an essential element for success.

All 8th grade students will have district provided laptops as a continuation of our 1:1 initiative. **Please be sure to have a charged laptop and working laptop pen daily.** If you would like to buy supplies, on the back of this letter are a few optional suggestions and recommendations to help you get started.

You will no longer be the youngest members of our community; therefore, you should know that you play a crucial role in keeping Lenape a community of honor and respect. We look forward to seeing what you can bring to the team, and how you can help us continue to be a positive example for the Doylestown community!

It's going to be a great year! We cannot wait to get started.

Sincerely,

The Dream and Wonder Team Teachers

Lenape Is... For Me, For You, For Everyone!
