About the CB Save the Music Concert

For 20 years, the Music Department of the Central Bucks School District has teamed with the *Save The Music Foundation* to help save music education across the country. What started as a small concert and fundraiser has now grown into a 2- day event that features 3 concerts, nearly 30 professionals, and almost 200 students. The concert has raised over \$307,000 for the Save The Music Foundation since its inception.
