About Mrs. Rozak

I began my teaching career in 2012. I am currently a reading specialist at Groveland Elementary. Prior to being a reading specialist, I taught 2nd grade, 4th grade, and 5th grade.

I earned my Bachelor's Degree in Elementary Education from Penn State University. I earned my Master's Degree with a concentration as a reading specialist from Cabrini University. I earned my Principal Certification from Holy Family University.

I really enjoy spending time with my family. Mr. Rozak and I welcomed our son, James, in December of 2022. We enjoy visiting local parks and exploring with James and our golden retriever, Izzy. I also love visiting the beach and reading!
