

Meet the Teacher

The Kranick Family

About Mrs. Kranick

My name is Mrs. Brittany Kranick, and this is my eleventh year teaching. I'm so excited to be your child's teacher!

I grew up in Philadelphia, but now I live in Hellertown, PA with my husband, Steve, our daughter, Quinn, and our dog, Kylo.

In my spare time, I love to read mysteries, shop, try new restaurants, and spend time with my family and friends. Quinn will be two in December, so we had a great summer watching her fully embrace toddlerhood! We had fun vacationing in Sea Isle, too! What activities did you do this summer? I can't wait to hear about them.

First grade will exercise our brains and help us explore new and exciting topics. Our classroom is full of fun, learning, and lots of love! I know we'll have a great year together!
