

August 2021

Dear Third Grade Students and Parents/Guardians,

Welcome to third grade! My name is Mrs. Brittany Kranick, and I am thrilled to be your teacher this year. This will be my sixth year teaching at Groveland, and I cannot wait to have a wonderful year with you all!

Let me tell you a little bit about myself. I grew up in Philadelphia and currently live in Ewing, New Jersey. I love reading mysteries and baking desserts, but my favorite activity is spending time with my family and friends. My husband and I love our little dog named Kylo, and we are expecting our first child in December! We are so excited to welcome a little girl into our world.

Third grade is a special and important year in which we will build new skills, both socially and academically. Writing in cursive, exploring life cycles (butterflies!), and diving into new literature are just some of the many exciting things we will encounter in grade 3. Along with our four Grizzly themes, we will work on important traits like a strong work ethic, resiliency, problem solving, and critical thinking. Our classroom is a place where you can be creative, express yourself, feel comfortable to take on challenges, and make mistakes! There will be great change and growth in third grade.

At your convenience, please view the attached supply list to get the supplies needed for a successful and organized start to our school year. Feel free to email me with any questions, and I look forward to another fantastic year with some amazing third graders. See you soon!

Sincerely,

Mrs. Brittany Kranick
