

# Welcome to Your QUEST Distance Learning Classroom!

## Expectations for Students

- Check my teacher website and Seesaw for our weekly assignments.
- Complete and submit assignments by the due date.
- Special Schedules will start the week of **April 14th, 2020**
- All lessons will be posted on Monday for students to self-pace through their responsibilities.
- Students may submit their work any day of the week.
- All resources for assignments will be provided in the Seesaw activity and/or on my website.

## Office Hours

I am excited to check your responses and respond in Seesaw throughout the day.

I will make it a point to check email and answer questions from...

10:00 – 10:30 am via email

2:00 – 2:30 pm via email

[ntsmith@cbsd.org](mailto:ntsmith@cbsd.org)

## Seesaw Class in grades K-6

### Access Seesaw Two Ways

1. Smart Device App:  
via Seesaw Class app and At Home Learning QR Code

2. Internet Browser:  
myapps.microsoft.com → Clever Tile → Seesaw Tile

If you do not have the At Home Learning code, please email your homeroom teacher or one of the specialists for this code.

## John Barclay's Distance Learning Page

Hi Kids! I miss you so much and I hope you are enjoying the QUEST activities at home! I love seeing the amazing things you are creating and sharing through Seesaw and e-mail! You're doing a fantastic job using your imagination and creativity.

This week will get used to using Seesaw as our main tool. You still have the Tic-Tac-Toe Board and Coding activities as your choices. Kindergarten has an activity in Seesaw only this week.

Go to Seesaw to view the Tic-Tac-Toe board activities and respond. Click on your grade level distance learning page for directions to Code.org.

Have fun! Please send me pictures of what you create or post a picture or video of your creation in your QUEST Seesaw folder.

If you have any questions or need help with any of your classroom activities, you can e-mail me at [ntsmith@cbsd.org](mailto:ntsmith@cbsd.org)
