

Book dedications are a great way to honor a teacher, celebrate a birthday, or mark a milestone. It is also a wonderful way to continue to build the Mill Creek Library collection.

To dedicate a book, simply complete the form below and send it to the Mill Creek Library: "Mill Creek Library-Book Dedications, Attn: Mrs. Vozniak". **The cost is \$15 per book**, which is the average cost of a hardcover book.

Not sure which book to purchase? Please feel free to contact Mrs. Hiriak our School Librarian at mhiriak@cbsd.org for a topic, an author, or a type of book.

A personalized book label will be placed in the book, and the person to whom the book is dedicated will enjoy being the first person to check it out of the library. All dedications will be listed in the Mill Creek Connection.

Your support of this worthwhile program is appreciated! If you have any questions, please call extension 3605 for the library.
