LOG INTO CAMPUS PARENT/CAMPUS STUDENT OR THE MOBILE APP

Whether you are logging in to the mobile app or on the web, you will need to enter your **Username** and **Password**. Click **Log In**.

The screenshot shows the Infinite Campus login interface. At the top, it says 'Infinite Campus Transforming K12 Education®'. Below this, there's a 'District Edition' badge. The main login area has fields for 'Username' (with a placeholder 'Your Username') and 'Password'. A blue 'Log In' button is below these fields. At the bottom of the login area, there are links for 'Log out', 'Forgot Password?', 'Forgot Username?', and 'Help'. The footer contains copyright information: '©2015-2016 Infinite Campus, Inc. www.infinitecampus.com'.

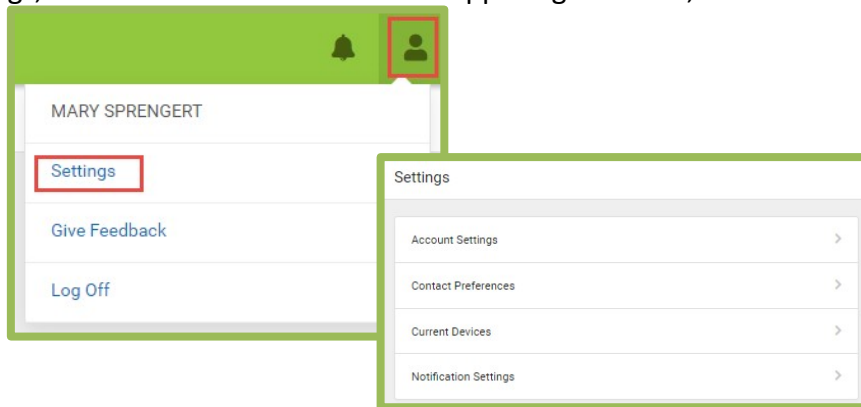

You still have the ability to recover your username and/or password if the feature was set up in the **Account Settings** in Campus Parent (or previously in Campus Portal). If you need assistance, you may contact the parentportal@cbsd.org

In the mobile app, there is a checkbox to **"Stay logged in"**. When using the feature, you will not need to log in each time you access the mobile app.

SETTINGS

To access Settings, click on the **Person** icon in the upper right corner, and select **Settings**

ACCOUNT SETTINGS

The **Account Settings** allow users to update their security email or change their password.

From the Settings screen, click **Account Settings**.

From here, you will have the ability to update (change) the **Account Security Email** or **Password**. The **Account Security Email** is where you set up an email address to retrieve information for a password or username reset (allowing you to use the features on the sign-in page, **"Forgot Password?"** or **"Forgot Username?"**).

Campus enforces strong passwords, meaning that passwords should have a mix of letters, numbers, and characters to make them more secure.

CONTACT PREFERENCES

Parents and students can manage their personal contact information, including Cell Phone, Work Phone, Other Phone, and Email Address. When you update, the changes will go directly into Campus and school personnel will have the most current information.

Parents and students can also manage their contact preferences by selecting the desired language, when you receive messages, and how you receive that message. We are currently only using email contacts.

From the **User Menu**, select **Settings**, then select **Contact Preferences**, and mark your desired options, and click **Save**.
