MRS. DINGUI

The Basics...

My name is Mrs. Dingui (*ding like a bell, and wooooooooo! like a rollercoaster*). I love spending time with my family, going on adventures with my husband, and loving on my dog, Hank. Mr. Dingui played and coached football, so our year revolves around when the next game is – luckily, I love the sport, too! I am incredibly excited for another great year at Groveland working with a new group of students!

My Background...

I grew up in Churchville, PA. I LOVED school, especially reading, asking questions, and exploring all of my many curiosities. I went to college at West Chester University, where I studied Elementary Education and Special Education. I am still a very curious person (*how could I not be, there are so many things to learn!*), and I still love learning every day! Last year I earned my master's degree in Special Education at Delaware Valley University.
