WHAT IS SWPBIS?

School-Wide Positive Behavior Interventions and Supports (SWPBIS) is a process of creating proactive, school-wide systems that focus on recognizing appropriate behaviors and preventing inappropriate behaviors.

This process seeks to create and sustain a positive school climate by defining, teaching, and reinforcing a universal set of behavioral expectations. We will accomplish this through three basic steps: building effective systems (the Behavior Matrix), supporting those systems with evidence-based practices, and using data for monitoring and decision making.

OUR MISSION STATEMENT

Our mission is to create and maintain an effective learning environment by establishing a positive, safe, healthy, kind, and respectful community.

CORE FOUR VALUES

The foundation of SWPBIS is based upon the core values of the school, and they are reinforced through our daily communication with students. They are:

KINDNESS
RESPECT
SAFETY
RESPONSIBILITY

LENAPE LINKS

The purpose of this system is to recognize students who display positive behaviors.

The recognition will be a Lenape Links ticket.

The tickets will be given out by different staff members each day.

Each student receiving a ticket will be recognized on our Lenape Links Board.
