

Hello Families!

I am Ms. Stella, and this will be my third year at Doyle Elementary. I have enjoyed my time being a Soaring Eagle, and I am so excited to welcome each of you to 5th grade!

I want to take this time to introduce myself. I am a former CB student myself, I attended Bridge Valley, Holicong, and CB East. I could not be more excited to continue to be a part of this district. After CB East, I went on to play Division I lacrosse at Robert Morris University, and two years later transferred to West Chester to better pursue my dream of being a teacher! I continued to play lacrosse at West Chester, where I was a two-time All-American, and my team got to compete in a National Championship. I had a blast! I then finished my college career as a student teacher in Hatboro Horsham School District. I still pursue both of my dream jobs today, for I am the head coach of the women's lacrosse team at CB East as well as a teacher here at Doyle!

When I am not teaching or coaching, I am spending time with my family. I have two brothers, Brian, and Joey. This summer we celebrated Brian's graduation from Penn State with a master's degree in Applied Statistics. Joey is currently a lacrosse player at Temple University. I also have two wonderful parents, who have supported the three of us throughout our lives. This summer we spent our time in Sea Isle, New Jersey, and by our pool. We enjoy playing cornhole, and wiffle ball together. You will learn I have a large extended family, who I am very close with.

Families and students who will be in my class, I am very excited to hear everything about all of you, and best support your child. We are a team this year, and we will work together of achieving a common goal: helping our kids be the best they can be! You can email me and introduce yourselves and your child! I will be sending some first week of school reminders very soon 😊. I am looking forward to starting a wonderful school year together.

Your 5th Grade Teacher,

Ms. Stella
