We offer a variety of activities including Science, Arts, Crafts, Sports, and Games. There are opportunities for all students in grades K-6. We offer clubs both at school and off-site. This 6-week program only runs if it is coordinated, organized, and run by parent volunteers.

Dine & Donate

We partner with local businesses who donate a percentage of sales for a given day or week. This is a fun way to have someone else cook for you one night, enjoy a meal with neighbors and school friends, and support a local business and the school at the same time. A win for everyone.

Giving Tree

The Butler Giving Tree has tags that display the names of holiday gifts that can be donated for families in our Butler Community who are in need of extra support during the holiday season.

This event is open to Butler students in grades 3 to 6 with their parents only. Students must be wearing a wristband to enter the event.

Spring Fair/Silent Auction

The Spring Fair is our biggest fundraiser of the year. It is an awesome, annual family event, held rain or shine. There is great fun for all members of the family, including 20+ carnival games and activities, face painting, a silent auction, theme basket raffles, snacks, and lunch options. By participating in this fun-filled day, families can enjoy time together and with other school families while helping support many great programs at Butler. A successful Spring Fair means we don't have to bother families with numerous fundraisers throughout the year. So that makes it a win for all! Although games are geared towards elementary students, you are encouraged to bring the entire family. Our Silent Auction features a myriad of items from food and dining to entertainment to merchandise.

Teacher/Staff Appreciation

Three times per year we show our thanks to our amazing Butler staff with food and a thank you gift. We invite parents to donate items to support these celebrations.
