### SECONDARY FLEXIBLE INSTRUCTIONAL DAY

Please read the **Flexible Instructional Day** procedures for all 7th – 12th grade Central Bucks School District students carefully. If you have any questions about the expectations of your teacher on a FID, please reach out to them using their CBSD email or discuss with them in class. All teachers will share expectations during class at the beginning of the school year.

### FID ANNOUNCEMENT

Starting in the 2024-2025 school year, the Central Bucks School District will implement a Flexible Instructional Day (FID) in the event of inclement weather or other unforeseen circumstances.

For the 2024-2025 school year, the first occurrence of inclement weather will be a traditional day off for students and staff. For subsequent events requiring closure, the District will implement a Flexible Instructional Day (up to 5 total).

If additional closures are required after the 5th FID, those days will need to be made up at the end of the school year in June.

The Superintendent will notify all District families via phone, email, and text message that a Flexible Instructional Day is in effect. A standard graphic sharing communication related to FID will be shared on the district webpage in August 2024.

### Student Attendance

- On a Flexible Instructional Day, students are required to log in to Canvas and go to each of their classes. Within their teacher's Canvas course, they will find a FID Module. Within the module you will find your assignments for the day and an attendance quiz to complete.
- **Please complete the attendance activity by 10 am for all of your classes.**
- If you are experiencing internet connectivity issues, **please have a parent contact the school attendance office by 10 am** to report the issue and share you are in attendance for the day. If the school office is closed due to severe weather, office staff will check voicemails to confirm attendance.

### Assignments

- On a Flexible Instructional Day, teachers will upload required assignments to their Canvas courses within a FID Module for their students to access. **These assignments will be uploaded by 9:00am on the day of the FID.**
- Students are required to complete and submit assignments for all classes by the next school day. Teachers will enter a formative grade into Infinite Campus for this FID work.
- If a family is experiencing issues with internet or email connectivity, they must contact the teacher as soon as they have regained access to develop a plan to complete the work.

### TEAMS Call Availability

- All teachers will be available for one 30-minute check-in through TEAMS. This time is **OPTIONAL** and is provided for students that have questions that necessitate a synchronous call.
- Students **MUST email** their teacher to let them know they will be attending the call **AT LEAST 15 minutes before** the scheduled time.
- If a teacher does not receive any emails asking for student support, they will cancel the TEAMS call.

**TEAMS call links will be provided through the FID module in Canvas**
