A Message from Memorybook

Enhanced digital experience and security!

We have continued to make significant investments to ensure schools receive an outstanding digital experience and enhanced security. In addition to these investments, with increasing costs stemming from the US Economy facing accelerated inflationary pressures (particularly in raw material, labor and shipping), we will be adding a nominal service fee of .99 to the price of the book for those purchasing online. This will ensure we can continue to offer the operational excellence you expect from Jostens.

Online ordering ends on April 21st, 2022!!

If you have any questions ordering your yearbook,
