This document is designed to assist our students and families with an understanding of the policies and procedures that will inform their high school experience. Parents/guardians and students are also directed to review and familiarize themselves with the district's family handbook, found on the website at www.cbsd.org/handbook. The Family Handbook provides parents with some general facts about the district's programs and services. It also offers some specific information about school rules and policies that pertain to every student, no matter which school a child attends.

Academic Information

For additional information about the high school courses of study and graduation requirements, please view the [Program of Studies Guide](#).

Academic Integrity (Plagiarism/Cheating)

Plagiarism/Cheating is defined as the copying of someone's work and representing it as your own OR allowing someone to copy your work. Cheating may include, but is not limited to, copying work while taking a test, quiz, or exam. It includes sharing or copying work for an assignment including, but not limited to, term papers, book reports, projects, homework, etc. Laptops, cell phones, graphing calculators, etc. used inappropriately during assessments will be treated as cheating. Plagiarism in any form (including AI), whether intentional or unintentional, is unacceptable. Any student found cheating or plagiarizing will receive behavioral and academic consequences. Students in the National Honor Society run the risk of being removed from the program.

1st Offense	<ul style="list-style-type: none">• Must retake the assessment/assignment in a different form for up to 50% credit.• Conference with teacher, parent, and counselor• Additional consequences may apply.
2nd Offense	<ul style="list-style-type: none">• Must retake the assessment/assignment in a different form. No credit will be received.• Conference with teacher, parent, counselor, and House Principal.• Student is removed from all extra-curricular activities pending successful completion of assignment.• Saturday Detention is assigned
3rd Offense	<ul style="list-style-type: none">• Must retake the assessment/assignment in a different form. No credit will be received.• Student must attend an Administrative Hearing to determine appropriate consequences.

Equal Opportunity Policy

It is the policy of the Central Bucks School District to offer equal opportunities for girls and boys in the Central Bucks Schools. The School Board policy adopted in June 1976 notes that the district is not to discriminate on the basis of sex in its educational programs, activities or employment policies as required by Title IX of the 1972 Education Amendments. Inquiries regarding compliance with Title IX may be directed to the building principal.

Class Rank

Class rank is not reported to colleges for admission purposes, but the district does report the student's grade point average (GPA). The GPA is based on weighted and non-weighted grades from all classes taken in grades 9-12. Concern for grade-point average should not keep students from selecting a challenging program and should not be used as an excuse for dropping a course in order to take one that seems easier. Colleges are more interested in the academic rigor of a student's program than they are in the student's GPA.

Critical Course Change

Changes in course requests will **only** be honored for the following two reasons: (1) failure to meet the required prerequisite; or (2) a level change that must be approved by the building principal.

Final Examinations

In courses with common district final examinations, finals may not be administered prior to the scheduled date and time. If a student misses a final examination(s) due to an excused absence, then s/he is responsible to make it up on the scheduled make-up day. If the student does not return prior to the last day of school, then s/he is responsible to schedule an appropriate date/time upon his/her return.

Other grades

I - Incomplete work*

S – Satisfactory

U – Unsatisfactory

* If incomplete work is not made up after a reasonable period of time, the student will fail the course as a result of lack of completion. A “reasonable period of time” is defined as two weeks beyond the marking period. In the case of an extended absence resulting in an “Incomplete,” students are expected to complete work within a two-week period upon return. All exceptions to the two-week deadline will need administrative approval.

Honor Roll

Distinguished Honors: GPA of 4.0 or better

High Honors: GPA of 3.6 or better

Honors: GPA of 3.0 or better

Report Cards

Report cards are issued four times a year electronically as noted on the district calendar. Each marking period is nine weeks in length. Parents and students are urged to discuss report cards. Parents and students may view their grades online with the correct username and password for Parent Portal. If there are any questions, please contact the guidance counselor.

Success Plan

The Success Plan is required of all CB students before graduating. **Please note:** All SUCCESS PLAN DEADLINES must be met to avoid disciplinary action and/or loss of privileges.

Attendance Policies & Procedures

Student Assistance Program (SAP)

The Central Bucks School District recognizes and affirms the individual value and potential of each student. In so doing, it acknowledges that at-risk behaviors including those of emotional/mental health, or created by chemical use are serious problems with legal, physical, ethical, social, emotional, and educational implications. SAP is an action-oriented team whose goal is to identify, assist, intervene, and provide aftercare for at-risk students. Additionally, the team networks with community resources and district programs already in operation. If you, or someone you know is at-risk due mental health or chemical dependency issues, please go to your counselor for a SAP referral or visit the CB South web page.

Student Conduct

General Information

Proper conduct in the building is considered essential to maintain a safe, educational environment. Students are expected to comply with the following guidelines:

- Show courtesy and respect towards others.
- Use acceptable language at all times.
- Settle differences peacefully and respectfully.
- Obtain a student pass to be in the hallways and lavatories during class time. Passes are issued for the shortest route of travel and for a single destination. Hall wandering is prohibited.
- Keep our school clean, devoid of litter and defaced property. All concerns should be reported to a school employee.
- When asked for your name by a teacher, safety and security monitor, administrator, or any other adult, you must comply. Giving a false name or not giving a name will be considered insubordinate and will result in administrative disciplinary action.
- Students are not permitted to leave the school without permission. **The parking lot is off limits during the school day.** The appropriate house principal must clear all exceptions.

Please be aware that all high schools and school buses in the Central Bucks School District are equipped with electronic surveillance cameras that record video and audio.

Affection

Kissing and close personal contact outside of holding hands is private and to be kept away from school. Any student found to be engaging in such behavior may be subject to loss of privileges, disciplinary action, and/or contact with parents/guardians.

Bullying

Bullying is a form of harassment that will not be tolerated at Central Bucks High School South. If you or someone you know is being bullied, please report this to a teacher, guidance counselor, or house principal. Please refer to [CBSD Board Policy 249](#) for more information.

Cell Phones & Technology Devices

Cell phones and personal devices will not be permitted during instructional times with the exception of instructor-directed activities or as permitted by the school nurse and/or school administration. Cell phones and personal devices may be used during class transitions and Lunch & Learn. If parents need to contact their student during the school day, they should contact the Main Office. Cell phones and personal devices may not be used to record images or voice recordings of faculty, staff, or other students for personal use or inclusion on any Internet or other media sites. This is a violation of an individual's right to privacy, which the school has an inherent right to protect. The inappropriate use of cell phones or other digital technology features will be addressed through disciplinary procedures. Please refer to [CBSD Board Policy 816](#) for further information on electronic communications. Please see [CBSD Board Policy 815](#) for further information on technology devices and the acceptable use policy.

Controlled Substances

Please see [CBSD Board Policy 227](#) for specific information.

Disorderly Conduct

Please see [Pennsylvania Criminal Code Section 5503](#) for specific information.

Discrimination and Harassment

Please see [CBSD Board Policy 103](#) for specific information.

Dress & Appearance

The Central Bucks School Board believes that a vital part of the educational program is the teaching of appropriateness of one's dress and appearance for a given situation. A student's appearance should not endanger physical health and safety, damage property, disrupt the educational process, distract those engaged in that process, or go beyond community and school interpretations of appropriate dress. If an administrator deems an article of clothing inappropriate, the student will be asked to cover the article of clothing or change into something that meets the code before being allowed to return to class. Disciplinary consequences may be given for repeat offenses.

Students will wear:

1. Clothing that does not expose underwear or abdomen/midriff.
2. Skirts or shorts that do not rise above the mid-thigh level.
3. Tops that cover cleavage (front and rear), the back, and torso up to the underarms. Tube tops, strapless tops, and off-the-shoulder tops are prohibited.
4. Clothing that is free of pictures or wording that contains profanity, vulgarity, ridiculing of any person or group, or references to alcohol, tobacco, or illegal activity.

Search by Administrators

School administrators shall have the authority to require students or other persons under their jurisdiction to submit to a thorough search of backpacks, clothing, handbags, wallets, lockers and vehicles. School administrators shall take possession of any illegal or unauthorized materials found as a result of such a search, pending its release to proper authorities. Searches shall be conducted with an appropriate witness. Searches may be conducted only when reasonable suspicion exists that illegal or unauthorized material is being concealed. Students who leave the building without permission or students who are found in an unauthorized area of the building may be searched. The Central Bucks School District considers student lockers as school district property for the purpose of random searches. Periodically or as the situation warrants, a dog may be used to sniff the air around lockers, desks, bags, purses, items, book bags or vehicles that are on district property or at a district-sponsored event. Please see [CBSD Board Policy 226](#) for more information.

Smoking/Possession of Tobacco Products

For purposes of this policy **tobacco** includes a lighted or unlighted cigarette, cigar, pipe, or other smoking product or material, smokeless tobacco in any form, any nicotine delivery device and **a vaping device** in the possession or use of/or by a student in a school building, a school bus, or on property owned by, leased by, or under the control of the Central Bucks School District or by students at school-sponsored activities that are held off school property. Possession of matches, lighters, or other such items may result disciplinary consequences. Please refer to [CBSD Board Policy 222](#) for more information and consequences.

Threats

In the Central Bucks School District, we maintain a safe, caring school community where every child and staff member can feel the safety and security necessary for learning and personal growth to flourish. It is with this goal in mind that we want to address the issue of verbal or physical threats that are made against any member of our community.

If, at any time you hear a student threaten the life of another student or staff member, it is your responsibility as a member of the school community to report what you have heard to a responsible adult in the building. Please see [CBSD Board Policy 218.2](#) for more information.

Vandalism

Any student destroying and/or defacing school property will be immediately suspended and will be held legally responsible for financial restitution. If the case warrants prosecution, the school shall sign the complaint and exercise its legal prerogatives.

Weapons on School Property

The district will not tolerate any weapon in school, even when there is no actual implied threat. This is the only way schools can insure a safe and orderly climate for all students and staff members. **Any student who possesses, uses or transfers a weapon on school property or during a school function shall be considered for expulsion in accordance with the applicable law.** See [CBSD Board Policy 218.1](#) for more information.

Student Discipline

Discipline Referral

Students who are disruptive in the classroom to the extent that the instructor requests assistance may be referred to a House Principal. The case will be reviewed and administrative action will be taken.

Detention

After school detention will be issued for various infractions of school rules. Teachers or administrators may issue detentions. Serving the detention time will become a major responsibility of the student and sports or jobs will not be

permitted to interfere with the detention. Failure to serve a detention will result in additional disciplinary actions including suspension from school.

Suspension

The following procedure will be followed when a student is suspended from school for unacceptable behavior:

- The student will have a conference with the House Principal. At this time, the student will have the opportunity to respond and explain his or her side of the case.
- Before the end of the day, parent/guardian will be notified of the suspension by telephone.
- For the duration of the suspension the student **MUST** remain home during school hours or be under the direct supervision of his parents. He may not attend classes at South or the Middle Bucks Institute of Technology. The student is not permitted on school property during the suspension.
- In some cases, parent/guardian and student must meet with the administration before the student is re-admitted to school.
- The student is required to make arrangements with all classroom teachers to make up work missed. The usual time allotted for this make-up work is three days unless otherwise agreed.

NOTE: A level III or IV violation of the discipline code by a senior during the 4th quarter may result in suspension of the privilege to participate in graduation ceremonies.

Central Office Hearing

In the event that other disciplinary attempts have met with little or no success, a ten (10) day suspension will be requested and a hearing will be held at the Administration Center. In attendance at this hearing will be the student and parent/guardian, the superintendent, an administrator from CB South, the student's guidance counselor and any school district personnel that the superintendent deems appropriate. At the hearing the student's entire school record will be reviewed.

The case will be evaluated and a decision will be made. All in attendance will be notified of the results. The results of such a hearing could mean that the student would be excluded from attending regular classes at CB South.

Safety Procedures

Fire Drills and Building Evacuation Procedures

To ensure rapid and safe exit from the building in case of an emergency, it is required that evacuation drills be performed. Classroom teachers will review evacuation procedures. Student abuse of any fire, safety, and health equipment will result in severe disciplinary actions. Police will be notified.

All students are required to help maintain an environment that is conducive to productive work for all library users. Students using the library should be with a class or have a teacher's pass. When in the library, students are asked to be respectful of

others and the materials. Failure to comply with these rules could result in the loss of library privileges and possible disciplinary actions.

The school cannot be held responsible for items missing from lockers. Students should not share lockers or combinations with other students. Students may use only their assigned locker. If a student has a problem with his/her locker, s/he should report it to their house principal. Student lockers are considered Central Bucks School District property and, if warranted, may be randomly searched. Please see [CBSD Board Policy 226](#) for more information on searches.

Military Recruiters – Act 10

Act 10 of 1991 requires school superintendents to provide armed forces recruiters the same access to lists of senior students, as they make available to colleges and trade schools. The school and local police will enforce all traffic laws and safe driving practices in and around school. School Administrators shall have the authority to require students, or other persons under their jurisdiction, to submit to a thorough search of any vehicle on school property per [CBSD Board Policy 226](#).

All students who drive to school must:

- Register their vehicles with CB South and receive an assigned parking spot.
- Obey the campus speed limit of 15 MPH.
- Follow safe-driving procedures at all times. Violations may result in the loss of driving/parking privileges.

For more information about vehicle registration and parking at CB South, please visit [Mr. Rohrmiller's page](#) on the CB South website.

Transportation

Students and parents are advised that all school buses are equipped with electronic surveillance cameras that record video and audio. Appropriate signage is posted on each school bus notifying the student that their image and voice is being recorded. Bus transportation to and from school, sports, trips, Middle Bucks Institute of Technology, and any other school activity is a privilege. Inappropriate behavior while riding a bus will result in disciplinary actions that may include suspension from riding the bus and possibly suspension from school. Please review the [CBSD Transportation](#) page for more information.

School Visitors

For health and security reasons, the district does not permit students from other public school districts, private schools, colleges or universities to visit in Central Bucks classrooms or to shadow Central Bucks students. Please reference the [CBSD Board Policy 907](#) on the school district website for complete information on any visitors to the school.
