

March 2024

Dear Parent/Guardian:

The Federal No Child Left Behind Act of 2001, the Federal National Defense Authorization Act for Fiscal Year 2002, and the Pennsylvania Act 10 (The Armed Forces Recruiting Act), require all school districts to provide postsecondary educational institutions and military recruiters, upon request, access to the names, addresses and telephone listings of junior and senior students. This is to notify you that the Central Bucks School District will comply with this mandate. **You may request to have your child's name excluded from this list by completing the form below and returning it to your child's high school office before June 1.** If the school does not receive this notice from you by this date, your child's name will be included on the list and released to any of the above requesting same.

Please contact your student's high school office if you have questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Scanlon', is written over the printed name.
