Distance Learning Phase 2: Mrs. Shannon's Schedule:

*My Office Hours are 11:00-11:30am and 3:30-4:00pm daily. At this designated time, I will be available live online to reply in real time to questions, review submitted assignments, and respond to student work with feedback. Though these are my guaranteed office hours on a daily basis, please know that I am available frequently throughout the school day to communicate beyond these hours, and I am willing to set a mutually convenient time to chat if you need anything and my office hours do not fit with your schedule. The best way to contact me is always through email (sshannon@cbsd.org) or via SeeSaw. Please note that student learning time is not to exceed three hours per day.
