

Bucks County World Language Academy

* *INTEREST SURVEY for 2018-19**

Due February 16th (via email): infobcwla@gmail.com

The Bucks County World Language Academy, moving forward into its 6th year, is a student-centered, before or after-school program, offering experiences that promote the development of foreign language fluency. Children participate in activities which build their vocabulary, speech patterns and communication abilities. As they explore a second language, children cultivate awareness, curiosity, and appreciation for world cultures, which in turn enhances learning in all disciplines. As a result of their participation in the BCWLA, learners gain enrichment opportunities well beyond that of a traditional foreign language program.

More information is available on our website: www.buckscountywla.org

Please note that this is only an interest survey and not an enrollment form.

The BCWLA is comprised of the following:

- Instruction to students in grades 1-6; low student-teacher ratio
- A nine-month commitment, beginning in September
- Foreign language instruction three days per week (Tuesday, Wednesday, Thursday)
- Classes are one hour per day either before or after school **on your elementary campus**
- Tuition at \$1,500 per child per year (tuition installments are available); this is only \$15 per class!
- Parent transportation to (morning classes) or from (afternoon classes) required
