

5th Grade Supply List 2020 -2021

Hello Families!

Below are some ideas for supplies that would be helpful to have when learning from home. There is no rush to run out and gather everything on the list, but many of these items will be useful for your student to have as they start the year.

Virtual Learning Supply Ideas:

- Pencils
- Colored pencils
- An Independent Reading book 😊
- White board and markers
- Headphones
- Folder for any loose papers
- Writer's Notebook (spiral or marble – your choice)
- Lined paper – a multi-subject spiral notebook would work, or loose-leaf paper in a ½ inch binder
- Blank, white paper
- Optional: Mouse to use with laptop

Supplies needed for in-person learning will be similar to the list above and will be communicated as the need arises.
