Use the purple and green shaded times to complete lessons (videos, virtual field trips, recorded lessons, independent work) and activities asynchronously as posted in the plans on our website. Plans will be posted daily. Use See Saw to access worksheets, activities, and to post work as indicated in the lesson plans.

\*During my Office Hours, I will be available via email, or virtually on Teams. I will be available throughout the day outside of the scheduled office hours as well, so please don't hesitate to reach out if you need anything.
