

# My Daily Weather Journal

Written & Illustrated By:

---

Monday  
Date:

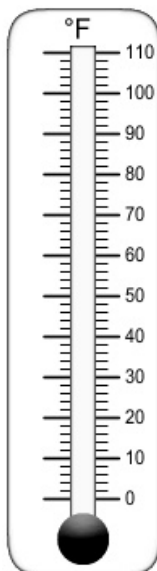

Draw a picture of today's weather below!

Today I hear \_\_\_\_\_.

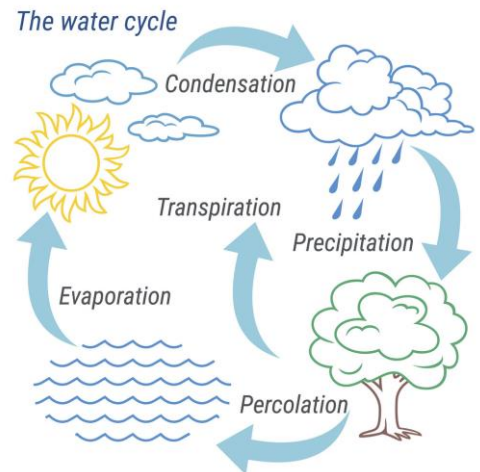

Today I see \_\_\_\_\_.

The weather today is \_\_\_\_\_.

Using the thermometer, color in the temperature in degrees Fahrenheit. Use a Weather App, the Internet, or your own thermometer to check the weather!

Using the Water Cycle picture, circle the part of the water cycle that you think today's water would be at. Describe why you circled your choice below!

Tuesday  
Date:

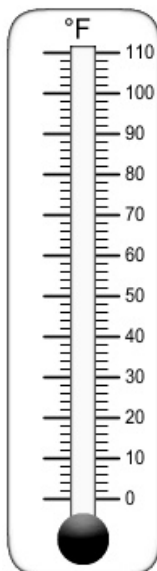

Draw a picture of today's weather below!

Today I hear \_\_\_\_\_.

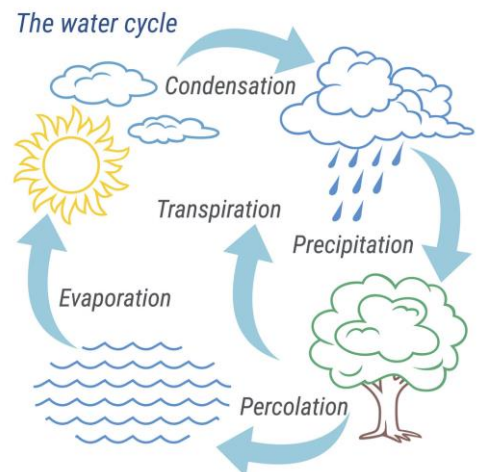

Today I see \_\_\_\_\_.

The weather today is \_\_\_\_\_.

Using the thermometer, color in the temperature in degrees Fahrenheit. Use a Weather App, the Internet, or your own thermometer to check the weather!

Using the Water Cycle picture, circle the part of the water cycle that you think today's water would be at. Describe why you circled your choice below!

# Wednesday

Date:

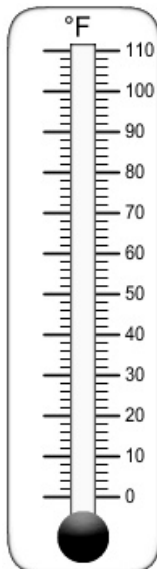

Draw a picture of today's weather below!

Today I hear \_\_\_\_\_.

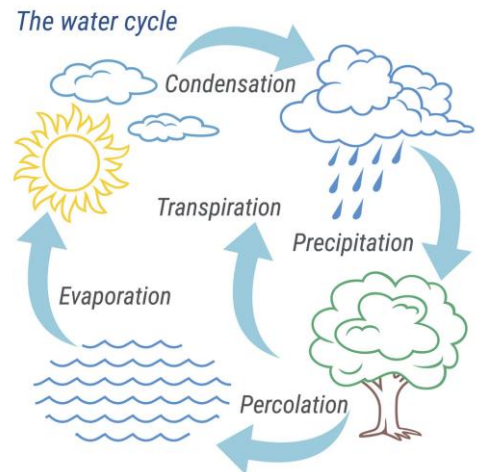

Today I see \_\_\_\_\_.

The weather today is \_\_\_\_\_.

Using the thermometer, color in the temperature in degrees Fahrenheit. Use a Weather App, the Internet, or your own thermometer to check the weather!

Using the Water Cycle picture, circle the part of the water cycle that you think today's water would be at. Describe why you circled your choice below!

# Thursday

Date:
