

August 2022

Dear Super Second Grader:

Hello and welcome to **Mrs. Kessler's** second grade class. I am so excited that **YOU** are in my class and wanted to let you know that we are going to have a FANTASTIC year together. Second grade is a special year of growth and discovery. I can't wait to grow and discover with you!

Part of enjoying your classroom is getting to know your teacher, so I would like to tell you a little about me. I live in Wycombe with Mr. Kessler and my son Jason, who is 22 and will be entering his final semester of college in August. I cannot believe Jason will be graduating in December from Kenyon College in Ohio!

For vacation, I will be heading to Sea Isle Beach for lots of fun with family and friends! In August, I will be traveling with Mr. Kessler and Jason to Kenyon College to help move him in to his townhouse which he will share with 7 friends! It will be a busy summer, but I will be ready to see you on August!

I can't wait to share all my summer experiences with you, and I look forward to hearing all about your summer too!

Second grade is full of so much learning and fun! Together we will:

- ✓ Read wonderful stories- fiction and non-fiction
- ✓ Build our Reading and Writing stamina
- ✓ Help our "math muscles to grow"
- ✓ Investigate rocks & minerals
- ✓ Write about our lives and other fun topics
- ✓ Study maps and globes

WOW, a great year lies ahead! But your job now is to have a **SENSATIONAL** summer. Enjoy time with family and friends and spend time **READING! READING! READING!** I know I will!

Summertime is a great time of the year! Be sure to enjoy! See you on the first day of school in Room A-141!

Your second-grade teacher,
Mrs. Kessler
