

Dear Second Grader,

Welcome to second grade! My name is Mrs. Warner. I am looking forward to teaching you this school year and hope you had a fun summer! This year will be very exciting. We will be reading and writing many wonderful stories and poems. We will make new friends and share special stories! Get ready to laugh and make tons of memories in 2nd grade. I love having fun while teaching lessons and I enjoy making others laugh!

Some interesting facts about your teacher:

- My 3-year-old daughter's name is Giavanna. She enjoys climbing on everything so we call her "Ninja" as she tackles various obstacle courses (furniture) in our house. She loves eating goldfish crackers and usually gets cracker crumbs all over her hair!
- My favorite colors are blue and purple.
- I have only touched one animal in my life which is my doggie named Gracie.
- I teach 2nd grade students and graduate students at Delaware Valley University.
- I love to read with magical voices and expressions!
- I played soccer for 9 years when I was younger!
- My husband's name is Mr. Tim and he is a police officer.
- I love spaghetti with lots of sauce on top!
- I am very allergic to flowers and cats.
- I love my mom and dad very much.
- I wore glasses and had braces on my teeth when I was younger.

- Our classroom this year will be known as the "Friendship Company". Ask any of my prior students what that means and you will discover how much fun it is to be a member of this group!

Now that you know a little bit about me, I cannot wait for second grade to start so I can get to know more about you. I will be here as your teacher to help you grow as a student but also as a friend. I want to encourage you to be a lifelong learner and understand how important it is to be in school and to do your very best! I will be your biggest helper during the school year to help you reach your goals! I believe in you!

Sincerely,
Mrs. Warner
