## Week 3 – Grade 5

**Overview:** **Commercial Jingles!** We're getting back to our Commercial Jingle unit this week! I miss working with everyone as you were learning to compose your very own commercial jingles a few weeks ago.

**Estimated Time:** Approximately 20 minutes

**Explanation:** Enjoy an opportunity to play an excerpt from your favorite commercial jingles. Why are commercial jingles so short? What makes them memorable? What are some of your favorites?

### Two quick things to know:

1. You can check out the commercial jingle melodies from the link below.
2. The melodies can be played on any instrument. If you need a piano or keyboard you can use GarageBand or this [Virtual Piano](#)

### Extension:

- See if you remember the commercial jingle you created with your classmates. Sing and perform it for a friend!
- Make a list of your favorite commercial jingles. Why are they your favorite? Ask a family member if they have a favorite commercial jingle.

**Method of Communication:** Email me at [mgruver@cbsd.org](mailto:mgruver@cbsd.org) and let me know if you need help. You can also share video and/or audio files! Have FUN!
