

## Week 2 – Grade 2 #MusicConnectsUs

# Music

---

**Overview:** Students will build connections by playing music games and singing at home.

**Estimated Time:** 20 minutes

**Explanation:** Using vocal videos from the Little Kids Rock website as a guide, play some singing games and make some music at home!

### Three quick things to know:

1. You'll need a family member or caregiver to help you access the internet.
2. Can't access the internet? No problem! All these games can also be played without watching the videos.
3. Building connections: Which of these games do you like the best? Try playing it with someone at home or by video chatting with a friend or family member!

### Tasks:

1. With the help of a family member or caregiver, click on the following links from the Little Kids Rock website and play the games.
  - [Vocal Warmup: ABC Song](#) – How many times can you sing through the Alphabet Song using just one big breath of air? Compete with a family member or friend!
  - [Vocal Game: Air Guitar](#) – Pretend to play a guitar and sing the sounds your guitar makes. Echo back and forth with a family member or friend.
  - [Vocal Game: Poison Pitches](#) – Echo the singer's patterns, but try not to sing the one that is labeled as "poison."
  - [Vocal Game: Singing Conversation](#) – Have a normal conversation with somebody about anything you want, BUT don't speak your words... sing them!
  - **Optional/Extension:** Want to do more singing at home? Choose some of your favorite songs and perform them for someone and/or make a video of you singing them!

You can also visit my [Distance Learning Page](#) and sing the Cold Spring Alma Mater with me #MusicConnectsUs

I miss making music with you!

Email me at [mgruver@cbsd.org](mailto:mgruver@cbsd.org) and let me know something new you learned, discovered, or taught someone!
