

CALLING ALL GHOSTS AND GOBLINS

WHO - BUTLER BEARS and their families!

WHAT - You can **DONATE** some or **ALL HALLOWEEN** treats to our service men and women! You can also write letters and create cards to our service men and women to let them know you are thinking of them!

WHEN - Cards, letters, and candy donations will be collected on Monday, November 2nd and Tuesday, November 3rd

WHERE - Deliveries of cards, letters, and candy donations will be made to the boxes on the front porch of school. There will be a separate box for each!

WHY - Every year, our school family, honors close to 100 veterans and service members from our community and from our own families! Sadly, we are not able to honor them that way this year, but we have found a way to let many service men and women know that we are thinking of them.

We have been honored to have, our Blue Star Mothers come to our Veterans Day Program in honor of their sons and daughters who are not able to be with us in person because they are serving our country. The Blue Star Mothers are a group of mothers who work together to support one another, their families, and most importantly their sons and daughter's while they are serving our country. They do many things throughout the year so that their children have a connection to home and to their country. The Blue Star Mothers know how much Butler has supported our veterans and service members in the past and they reached out to our school and asked us for help this year! Our military needs to know that we are thinking of them! Small treats like Halloween candy, special letters, and cards of appreciation, let them know that we remember them and all they do for our country! Thank you in advance for your support of our military!

Happy
Halloween

A decorative graphic at the bottom of the page featuring the words "Happy" and "Halloween" in a stylized font. The word "Happy" is in a light brown color, and "Halloween" is in a darker brown. Between the two words are four orange pumpkins with green stems and carved jack-o'-lantern faces, arranged in a slightly overlapping row.
