

Holiday Gift Giving Tree

Holiday Giving Program...

A great way to offer comfort and support to Butler families this holiday season.

Beginning November 17th, the Butler Giving Tree will be on display in the hallway nearest the main office. The Giving Tree will have tags on it that display the names of holiday gifts that can be donated for families in our Butler community who are in need of some extra support this holiday season. We invite our Butler students and families to choose a tag if they wish & purchase the gift needed. We ask that you wrap the gift and be sure to secure the tag to the outside of the gift wrap. All gifts should be delivered to school by December 15th to ensure holiday delivery. Please deliver your gifts to the main office. Thank you so much for all of your wonderful generosity and support!

More information needed....Please contact Peggy Bernabei at pbernabei@cbsd.org
