Summer 2021

## Mrs. Mignogna Welcomes Her Third Graders for the 2021-2022 School Year

Hi! Welcome to third grade! I'm Mrs. Mignogna, and I'll be your teacher. This year will be my 23rd year teaching. I cannot believe

how fast time flies! You'll get to know me well over the next year, but here are a few things to know about me now. My favorite subjects are reading and writing. When I have free time, I love to escape into a book, spend time cycling,

running, and be with my family. My son Michael is 16 and Joey is 12. We have a house in the Poconos at Lake Naomi Club, and we love to go kayaking, swimming, skiing and enjoy the outdoors in all seasons. I look forward to learning about each of you too.

### Third Graders Will Have a Busy Year

The summer is a great time to review skills. To help facilitate a smooth start to the school year, please review and practice basic math facts, read and write. Maybe keep a summer journal and write about all the activities you do. Read books with your friends or parents. Keep your mind moving!

Third grade will be full of fun activities, and it will be jam-packed with reviewing developing skills and learning new concepts.

Check out the CBSD website to see a comprehensive list of skills and concepts covered in third grade.
