

# 5th and 6th Grade Unit

## Taking Initiative

In class we have been talking about taking the initiative and starting something that you feel is important to start.

**We don't need to wait for things to happen!!!**

**We need to make them happen!!!**

Since you are at home, this is a chance to take initiatives around your own house.

 Have you been wanting to do an at home project? **Initiate it!**

- ❖ How about starting up a family tradition that you can all enjoy together? Initiate it.
- ❖ Is there something you wanted to learn or practice? Initiate it.
- ❖ Record your progress along the way

**Be ready to share what you accomplished by taking the initiative.**
