

Get ready for your fifth-grade year at Gayman Elementary School!

This is Mr. Maduzia, and I will be your teacher for the 2022-2023 school year. I cannot wait to meet you and the rest of our class. Together, I know this is going to be a great year in room 32.

It is hard to believe that August is already here. I hope you are having a wonderful summer. My summer was spent hanging by the pool, road-tripping, and camping with my wife and our three sons, Radison Nash, and Maclin. While I know it can be sad to see summer end, the beginning of a new school year always excites me! The opportunity to meet new people and see old friends always makes the first days of school my favorite time of the year.

In preparation for the start of school, I recommend the following supplies:

3 single-subject spiral notebooks	Two Yellow Highlighters
5 pocket folders (one for each subject)	Hand-held pencil sharpener
Marble composition book (to be used as a Writer's Notebook)	Supply of number 2 pencils
Zipper-style pencil case (they fit in desk easier)	Glue stick
8 - 12 Expo markers and a clean sock or eraser	Colored pencils
Headphones in Ziplock bag labeled with your name	One box of tissues
A book you are currently reading	Disinfecting or baby wipes

On our first day of school, please bring a few items (3-5) in a brown paper bag that represent how you spent your summer, such as a ticket from a game, or a shell from the beach, or a photo of your favorite summer memory.

Get ready for a year you will never forget! I look forward to seeing you soon.

Sincerely,

Mr. Maduzia
