

Caring for your French Horn

French Horn

©www.ColorMeGood.com

Here are a few simple things that you should do to keep your French Horn in good working condition throughout the school year.

1. Oil your rotors regularly.
2. Keep all tuning slides lubricated with petroleum jelly or slide grease.
3. Empty water from the horn before putting it in the case.
4. **Never** put anything in on top of your horn before closing the case, especially your lesson book!!!
5. Be sure that your case is properly latched before picking it up.
6. **Never** stand the horn on its bell.
7. **Never** leave your horn unattended.
8. **Never** let other students play or handle your horn.
9. **Never** hit the mouthpiece into the receptor with your hand.
10. Have an I.D. tag on your case that has your name and school clearly written.
11. Practice your minimum 100 minutes per week so your French Horn won't get lonely.
